### **DETAILED ACTION**

This action is responsive to communication filed on October 15, 2007.

#### ***Response to Amendment***

The examiner acknowledges the amendment of claims 1, 10, 19, and the cancellation of claims 7, 16, and 25.

#### ***Response to Arguments***

Applicant's arguments filed October 15, 2007 have been fully considered but they are not persuasive.

Regarding claims 8-9, 17-18, and 26-27 the specification fails to disclose an embodiment in which RFID sensors and acoustic or IR sensors are used in the same embodiment.

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

Claims 8-9, 17-18, and 26-27 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

Regarding claims 8-9, 17-18, and 26-27, the specification fails to disclose an embodiment in which RFID sensors and acoustic or IR sensors are used in the same embodiment.

***Allowable Subject Matter***

Claims 1-6, 10-15, 19-24 are allowed.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
